

Pre-Trip Health Screening

IT IS ALMOST TIME TO TRAVEL! AS YOU ARE TRAVELLING DURING THE TIME OF COVID-19, WE WANTED TO HELP PREPARE YOU FOR YOUR UPCOMING DEPARTURE WITH SOME HELPFUL INFORMATION:

- Plan to travel with your own supply of masks. We'll have some available if yours is lost or forgotten but you'll be much more comfortable in masks you've chosen for design and comfort.
- Plan to bring a supply of hand sanitizer and disinfecting wipes. We'll provide these on our motorcoaches and hotels, but it's also important that you carry a supply with you throughout your trip.
- As part of our pre-trip health screening, your Tour Director will be asking you to review and acknowledge the health screening provided below.

ALL GUESTS ACKNOWLEDGE:

This may include while travelling on board the motorcoach and while participating in certain excursions. Your Tour Director will provide guidance as to current regulations and recommendations.
- Your temperature will be taken as part of our screening process and may be taken as part of the screening process at venues you visit during your tour.
